

Safety Card: Facebook Messenger

Facebook Messenger is a free encrypted, instant mobile messaging app owned by Facebook. The App lets users add short videos, voice messages and GIFs to instant messages. Users can send messages to individual people or in group chats, with similar features to WhatsApp.

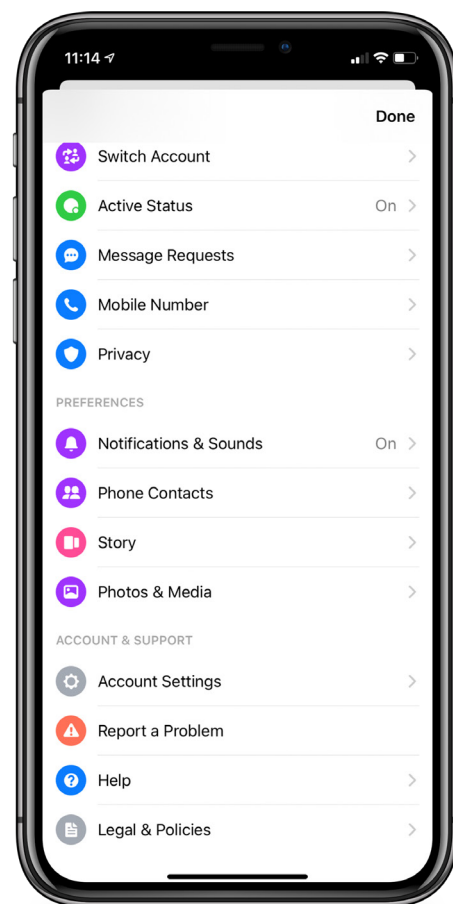

Stay safe on Facebook Messenger using the instructions on **Privacy, Blocking & Reporting**.

Privacy

Adjust your privacy settings on your Facebook account:

- On your chat screen tap on your profile photo in the top left corner.
- Scroll down and select **Privacy**.
- From here you can configure **Message Delivery** and **Secret Conversations**.

Block

Block a user using these simple instructions:

- At the top of your conversation, tap on the user's profile picture that you want to block.
- Scroll down and tap **Block**.
- Here you can block on Messenger and on Facebook.

Report

Report a user using these simple instructions:

- At the top of your conversation, tap on the user's profile picture that you want to block.
- Scroll down and tap **Something's Wrong**.
- Let Messenger know why you want to report them.
- Tap on **Send Feedback**.
