Safety Card: Reddit

Reddit is an entertainment, social networking, and news platform where registered community members can submit content, such as text posts or direct links, making it essentially an outline bulletin board. You can download it as an App on to your phone or visit the website online. The idea of Reddit is that the best content, or most popular will make it to the front page of the platform.
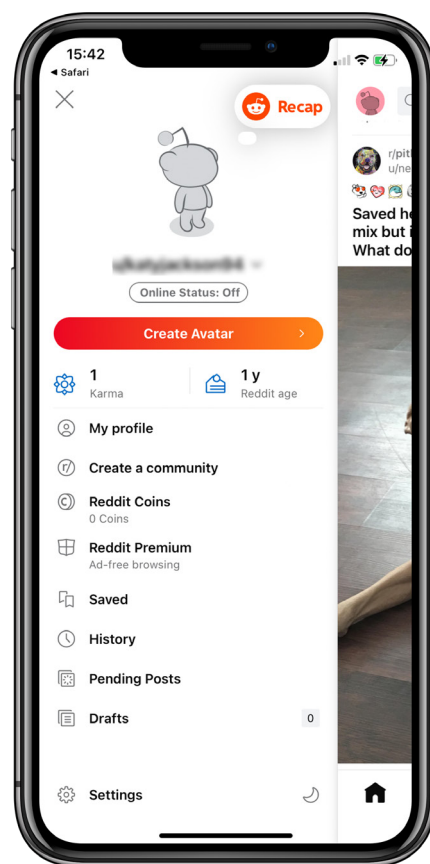

Age Restriction 13+

Stay safe on Reddit using the instructions on **Reporting**, **Blocking** and **Privacy** below.

Report

Report a post using these simple instructions:

> On the post you want to report, tap on ● ● ●

> Tap on **Report**.

> Select a reason for your report and follow the instructions.
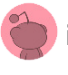

> The user has now been reported.

Block

Block a user using these simple instructions:

> On the users profile tap on 🚫 in the top right corner.

> Tap on **Block User**.

> Tap on **Block**.

> The user is now blocked.

Privacy

Configure your privacy settings:

> On your home screen tap on 🔴 in the top right hand side.

> Scroll down and tap on Settings and then your username at the top.

> Scroll down to Blocking and Permissions.

> Here you can configure your chat requests, who follows you and direct message requests
