

Instagram

Instagram is a mobile-based photo sharing app which allows users to share pictures and videos either publicly or privately. You can interact with other users on Instagram by following them, liking and commenting on their posts, tagging them in posts, and privately messaging. Keep in mind that when your profile is created and set to public, anyone can find and view it, along with all of your photos and videos.

Stay safe on Instagram by following the instructions below:

Privacy

Set your account to private using these simple instructions:

- On your profile tap the three lines icon in the top right corner. ☰
- Scroll down and tap on **Account Privacy**.
- Tap the toggle beside **Private Account**. Your account is now Private.

Block

Block a user using these simple instructions:

- On the user's profile, tap on the three dots. ⋮
- Tap **Block**.
- Tap **Block** again to confirm.

Report

Report an image using these simple instructions:

- Locate the image you wish to report.
- Tap on the three dots. ⋮
- Tap **Report** and select the reason for reporting.
